

Offerings to God

We may not be coming together to worship the Lord in our church building however there are still expenses that need to be met and important ministries that need to be funded. You may be wondering “how I can continue to financially support the church?”

There are many ways you can donate to Grace.

1. You can drop off your offering at church and if it is not during regular office hours you can put it in the mailbox hanging in the left corner of the front door. Lift the flap and slide it in. The mailbox is checked daily.
2. Mail your offering to the office.
3. If you use online banking with your bank or credit union you can use bill pay to send a check directly to Grace. You handle it as if you were paying a person. In fact, you can set up a recurring check for a set amount, usually monthly. You do not need the church’s EIN or routing number if you do it this way.

Our offering stewards will continue to count the offering on a regular basis.

If you need further help or have any questions please contact me, Janet Rawl, 865-235-5502 or rawlfamily@comcast.net.

God bless,

Janet
